Sage Business Cloud Accounting and Payroll

The one and only accounting and payroll solution your business will ever need.

Sage

Sage Business Cloud

Sage Business Cloud is the comprehensive business management solution that caters for businesses of all sizes—from startup to enterprise, offering a one-stop solution for all your organisation's needs.

Accounting and Payroll Solutions

Forming part of this innovative suite of cloud products, Accounting and Payroll provide you with easy-to-use, online accounting and payroll tools designed to support your small business, and make running it a breeze.

Simple

Online accounting and payroll could not be simpler. Written in easy to understand, everyday language—anyone can use them.

Secure

Because your data is online, it's always secure. No backups required. Plus, our password encryption is world class.

Flexible

Hosted entirely online, access your software and data from anywhere, at any time. All you need is an internet connection.

Compliant

Stay up to date with the latest legislation and ensure SARS compliance.

Support

Need a helping hand? No problem. Simply contact our support team, via phone or email, and they'll help you—for FREE.

Collaborate

Work with your accountant online, on the same data at the same time.

Get paid faster

Offer your clients more ways to pay with Pay Now. Your Accounting invoice allows you to offer Credit Card, Instant EFT, Bank EFT, Cash, and MasterPass™ payments via the Sage payment gateway.

Why choose Sage Business Cloud Accounting?

- Invoicing has never been this easy. Create professional quotes and invoices in a flash.
- Nothing is more important than knowing your business is on track. With customisable dashboards, gain instant insight into how your business is performing.
- Do you spend hours capturing bank statements? Bank feeds allow you to link your bank account to Sage Business Cloud Accounting for bank transactions that are updated every day.
- Set up budgets and compare them to real-world business performance.
- Easily manage customers and suppliers and get paid faster with the Customer Zone self-service tool.
- Sage Pay statements are downloaded automatically, with payments reconciled daily into your Sage Business Cloud account.

Why choose Sage Business Cloud Payroll?

- Take care of payroll legislation and stay SARS compliant.
- Generate tax certificates in one simple step.
- Get a clear picture of your company's monthly leave transactions in a calendar view.
- With no software to install, access your payroll from any mobile or desktop browser using an intuitive, modern user interface.
- Expand your payroll solution as your business grows, adding as many employees or pay cycles as you like.
- Seamlessly integrate your general ledger with Sage Business Cloud Accounting .
- Multi-user functionality allows additional users to access your system for free.
- Sage Pay ensures all salary payments reflect on the same day in a beneficiary's account, irrespective of where the bank account is held.
